Technical specifications

Power
- Batteries included: no
- Battery type: AA / LR6 Alkaline

Technical specifications
- Housing material: Natural rubber
- Bulb type: KPR104
- Bulb voltage: 2.2 V

Green Specifications
- Packaging material: Carton, PET
- Packaging type: Hang tag

Dimensions
- Master carton quantity: 6
- Outer carton dimensions WxDxH: 155 x 345 x 115 mm
- Product dimensions (WxDxH): 110 x 250 x 35 mm
- Product weight: 0.122 kg

Product highlights

Philips Krypton bulb
A miniature bulb in which Krypton gas is used to increase the light output up to 70% more than a standard bulb.

Pre focused beam
Thanks to a pre-shaped lens and/or reflector the beam provides the most optimal light output and focus.

Splashwaterproof
Rubber sealing rings and housing prevent that water causes damage to the flashlight and allow you to use it in all wheather conditions.

Shock resistant
A special shock resistant plastic or rubber housing prevents damage to your flashlight caused by shocks.

Anti roll bar
A special shape in the housing of the lamp makes sure it will not roll away on a sloping surface and thus keeps your flashlight always close at hand.

Nylon strap
This strap makes the flashlight easy to carry around and prevents it from falling if it accidentally slips out of your hand.
